Function Beverage Information

Beverage on Consumption:

Opting for beverages on consumption means you select what is to be served throughout the total duration of the function. A record "Tab" is kept behind the bar on the computer system and will be settled at the completion of the event.

Beverage on Package Basis:

Opting for beverages on one of our pre-set packages means the price is set per person for the entire group, excluding guests who are under 18 years of age. Beverage packages must run for the total duration of your event at Latitude 32.

Wines are supplied subject to availability and price variations at the time of the booking. A more complete and comprehensive wine selection list is available from our restaurant wine list. We would be pleased to discuss any individual specific requirements.
